The structure of discounts has changed as revealed in previous communications. This new structure is in the re-enrollment package available by clicking on the link at the bottom. It is important to remember that there are *new discounts* offered at CFCA this year that can earn a CFCA family up to \$500 off tuition for the new school year.

Finally, we are announcing the *new tuition* for the upcoming school year. Tuition will be adjusted an average of \$1 a day or \$365 for the year.

However, you could potentially save \$135 off your *total tuition* with the introduction of the *new discount* combined with the *new tuition*.
