## GENERAL PARENTAL AGREEMENT

### TUITION PAYMENTS

Since Christian Faith Center Academy has an obligation to its employees, students are considered enrolled for the entire school year. **Tuition is calculated on the basis of the entire year; no deductions can be made for vacations or school holidays.** If a student enters after the school term has begun, charges are prorated according to the actual number of days enrolled. No deductions will be made for tuition during the school year, regardless of the cause of absence.

The tuition payment is due on the first of each month from August 1st through May 1st. A \$20.00 late fee will be added to payments received after the 5th of each month. Students cannot return to class after the 10th of the month if their tuition has not been paid. In the event that one month's tuition is outstanding when another becomes due, both payments must be paid before the student can be admitted to class.

**All accounts must be current before Report Cards are issued each Nine Weeks and at the end of the school year. Accounts must also be current before transcripts are mailed.**

### WITHDRAWAL NOTICE

I agree that should I choose to withdraw my child, whether before the school year begins or during the year, I will make an appointment with a school official and sign the formal withdrawal form. I understand that if I withdraw my child after the first month, I will remain responsible for the complete month's tuition.

### LOCKERS/DESKS

I understand that school lockers and desks are property of the school and that the school has a right to open and search lockers and desks. The school is not responsible for items/articles lost or stolen.

### DISCIPLINE

I understand that sending my child to Christian Faith Center Academy is a privilege and not a right. The goal of Christian Faith Center Academy is not to reform, but to train Christian youth in the highest principles of Christian leadership, self-discipline, individual responsibility, personal integrity, and good citizenship.

I also believe that discipline is necessary for the welfare of each teacher and/or other agent of the school to make and enforce classroom regulations and school policies in a manner consistent with Christian principles on discipline as set forth in the Scriptures. This may include such measures as instruction, exhortation, correction, rebuke, and paddling.
